

MICHAEL JOHN M. AVENIDO

IT Support Specialist & Web Developer

Satwa, Dubai, UAE m.avnd05@gmail.com +971 50 970 6167 icowss.github.io/Portfolio

PROFESSIONAL SUMMARY

Adaptable and motivated IT professional with hands-on experience in technical support, system maintenance, and customer service. Skilled in troubleshooting, hardware/software installation, data management, and basic networking, with a track record of improving operational efficiency and user satisfaction. Also builds small web systems and tools — including this portfolio site — to solve everyday problems for the teams worked with.

EXPERIENCE

Service Crew

Oct 2025 – Present

Jollibee · Satwa, Dubai, UAE

- Prepared and cooked food while following Jollibee's quality, food safety, and hygiene standards.
- Maintained a clean and organized kitchen by sanitizing workstations, equipment, and utensils.
